MEMORANDUM FOR RECORD

SUBJECT: Move of FBIB from Briggs School to South Building

1. On 9 November 1948 the Chief, Services Branch, [redacted] 25X1 advised me by telephone that FBIB would be moved from the Briggs School to the third floor of South Building in the general area now occupied by the switchboard and teletype room and the move would begin as soon as the space was vacated by the Communications Branch. [redacted] further said that he was not sure that the space would 25X1 be adequate for FBIB and thought that I might like to look into the possibility of having our monitors placed on the first floor.

2. I advised [redacted] some arrangement should be made for 25X1 us to retain our pool, to which he had no solution and, as a matter of fact, stated that I would probably get official notice later from Mr. Van Esso.
